

Scholarship application form

The **CBH Group** is committed to building the capacity of regional West Australian grain growing communities through a number of industry related scholarships and awards. This new initiative provides an opportunity for young people in these communities to take up a challenge at sea – on a tall ship: to leave the rural comfort zone, climb the mast, swab the decks, stand on watch, meet new people and develop new skills.

In partnership with the **CBH Group**, Leeuwin Ocean Adventure Foundation is proud to invite applications for a Youth Development Scholarship; a seven day sail aboard the Leeuwin II in 2016/2017. The objective of this program is to develop self-esteem, self-confidence, team building and leadership skills.

Applicants must be between the age of 14 – 25 years and live in the grain growing regions in which CBH operates – please see attached map. One scholarship is being offered in each of the four regions and two in the City of Kwinana area.

The CBH Group will award 6 scholarships of \$1,800 towards the Youth Development program fare and the recipients will need to raise the remaining \$300 and be able to travel to and from Perth at their own expense.
