

INVEST IN THEIR FUTURE

The *STS Leeuwin II* is Western Australia's very own tall ship, a unique three-masted 1850's barquentine.

Lift a student to the next level and ensure they are given the edge to enter the work place with the best opportunities available to them.

What **your** investment *offers*:

- 1** The ability to build their **work-ready skills** and add to their resume. Communication, leadership, teamwork and collaboration are just a few of the skills employers are looking for.
- 2** A **safe and trusted program** which has run for over 30 years.
- 3** Voyage participants are able to **learn things they wouldn't normally** in the classroom or workplace through experiential learning.
- 4** Inspirational trips with **CAS outcomes**.
- 5** Ability to complete the Adventurous or Residential Journey component of the **Duke of Edinburgh's Award**.
- 6** The opportunity to earn the Outdoor Adventurous Activity or Pursuit for Venturer Scouts doing the **Queen's Scout Award**.
- 7** An invitation to return as a **Leeuwin volunteer**.
- 8** The chance to explore an interest in a **Maritime or Marine Career**.
- 9** The ability to **make friends** outside regular school, university, workplace or sporting groups.
- 10** Proven to **improve social confidence** for their future.

What do parents say?

We asked the next of kin of participants (mostly parents) about what they thought of their child's Leeuwin voyage experience. The results were reassuringly positive.

Of all respondents:

97.8% would recommend a Leeuwin voyage to a young person.

said their Leeuwin voyage helped them to have more confidence in themselves.

agreed the participant appreciated their own personal circumstances (family, school, community) more.

became better at making their own decisions at home, at school and in general.

Who are we?

Leeuwin Ocean Adventure is a trusted not-for-profit organisation based in Fremantle, Western Australia. Since 1986 we have welcomed more than 40,000 young people onboard the *STS Leeuwin II*.

We offer a week-long experience like no other. Your student will be surrounded by active friends, develop skills for the workplace and test their personal limits in a safe and supportive environment.

Activity

Sail training is a great outdoor adventure activity for people of all ages and abilities.

It uses the experience of being at sea to help people learn about themselves, discover hidden strengths and talents and understand the value of working in a team.

What can students expect?

- 1 Participants face demanding challenges, both physical and emotional.
- 2 They gain self-confidence, courage and a sense of personal responsibility.
- 3 An acceptance of others, whatever their social or cultural backgrounds, and develops a willingness to take controlled risks.
- 4 Sail training has a record of considerable success in developing character and ability in men and women to take on the challenges of life.

Award

“My son came back a happier, more confident young man who for the first time in his life had made lifelong friends that accepted him the way he was. As a parent I couldn't ask for more!”

– Next of Kin Survey Participant, 2016

Service

Creating Young Leaders

Rottneest Island is Western Australia's very own island getaway, located just 19 kilometres off the coast of Fremantle.

Add the service component, make an impact and get involved in wildlife and habitat conservation. The students will get the opportunity to make a real difference. The island has a range of curriculum-linked activities on offer;

Curious Quokkas - meet the world's happiest animal and investigate their behaviour and habitat

Sustainability Challenge – a geo-cache cycle challenge and explore sustainability initiatives on the island

Beach Clean-up – keep this island paradise clean by collecting ocean debris on the beaches

Tidal Treasures – develop knowledge of coastal and marine ecosystems

Adventure Challenge Cycle – solve clues and find your next destination

“It is a great challenge and allows them to learn about life skills and social etiquette/attitudes in an environment without digital technology. They return with a smile on their face”
