Leeuwin Ocean Adventure
Internship Program 2019-2020
The Leeuwin Ocean Adventure internship program is supported by the Western Australian State Government through the Department of Communities.

The aim of the program is to provide young men and women who have already demonstrated an interest in and capacity for community volunteering and leadership to further develop their skills in an environment which has, for over 32 years, supported the personal development of almost 45,000 young people.

The program is available to ten young men and women aged between 16 and 24 who, through an application process, are given the opportunity to join the program which provides the opportunity to:

- sail on STS Leeuwin II
- participate as a volunteer during the daysail season
- work towards achieving a Leeuwin Ocean Adventure volunteer rating, enabling participation as a voyage volunteer
- earn WA Certificate of Education (WACE) units and registration of participation on WA Statement of Student Achievement (WASSA)
- work towards achievement of Duke of Edinburgh’s International Awards
- earn volunteering and community service hours

Volunteering can be one of the most rewarding and valuable pursuits in life. Developing strong volunteering values can lead to great outcomes in your life and in the lives of your families and communities.

Leeuwin Ocean Adventure has relied on volunteers since its earliest beginnings. Today, volunteers remain a critical part of our business and it’s essential that Leeuwin fosters and develops volunteers as individuals and as part of how we operate.

Our post-voyage program is an outstanding example of how we provide personal development opportunities for young people, building on the skills acquired during the sail training adventure.

With the support of the State Government through the Department of Communities, Leeuwin is in a better position than ever before to really invest in the growth and development of volunteers.

The Leeuwin Ocean Adventure Volunteer InternSHIP is an opportunity for you to commit to a volunteering role with Leeuwin through participation in a series of programs and workshops, commencing with participation on a 5-day Short Explorer Voyage, which will build a whole range of skills useful to you throughout your career and life and start to equip you with the skills you will need to be part of Leeuwin’s volunteer voyage crew.

**How will it work?**

The program offers 10 Leeuwin Ocean Adventure Volunteer InternSHIPS.

The program is available to individuals who:

- have already participated and successfully completed a Leeuwin Youth Explorer Voyage, irrespective of whether you achieved a voyage volunteer rating; and
- individuals who have not sailed on Leeuwin before but are keen to get involved in one of Western Australia’s premier youth development organisations

Applications will be accepted and assessed against the criteria (see below).
