Or whether the weather be not,
Whether the weather be cold,

We'll weather the weather,
Whatever the weather,
Whether we like it or not.

1000's of trainees have worn our wet weather gear

On every voyage, our trainees and volunteer crew wear wet weather jackets and pants to protect themselves from the harsh elements whilst out at sea. Unfortunately, these items are not performing as well as they used to – and no one likes being cold and wet!

With over 24 voyages sailing every year, having the right equipment to support our young trainees is essential. Help us replace our wet weather gear so our voyage trainees are kept warm and dry.
