

BUILDING CONNECTIONS in your team

LEEWIN
Ocean Adventure Foundation

Step away from your usual workplace and onto STS Leeuwin II for a day at work like no other.

A day at sea, building trust, encouraging communication and strengthening accountability within your team. Leeuwin Ocean Adventure will work with you to create an unforgettable tall ship sailing experience, focussed on your objectives.

Removing workplace hierarchies for the day opens the door to the discovery of hidden strengths and talents. Choose your activities to provide the opportunity to develop skills and attributes you're looking for using the unfamiliar environment of a tall ship.

Our program doesn't drive competition between individuals or teams – our program activities challenge participants to do new things, demonstrate their willingness to problem-solve, initiate suggestions and discussion, support decisions and work to achieve a common objective. Leeuwin Ocean Adventure's programs build networks between individuals to create stronger team dynamics.

A tall ship is a unique environment. We're asking you to consider taking up the sail training challenge and to step outside your comfort zone for just one day.

Full Day Team Building Sail

Duration: 6 hours

Capacity: 40-80 delegates

Program: 3 set activities, plus 6 options

Cost: \$10,500

Your set activities

LEEWIN LIFE

An introduction to Leeuwin life, meet the crew, listen to the safety briefing and learn about the ship, sails and rigging.

SAIL AWAY

Hoisting the sails is a task only possible with a team - working together for a purpose.

AT THE HELM

Learn to manoeuvre STS Leeuwin II. Steering by helm orders, by compass and by wind.

Choose from below optional activities

KNOW THE ROPES

Hauling and easing on the lines, taking the weight and raising the sails. Learn how to belay, flake and coil.

TAKE A BOW

Harnesses on and out over the bow sprit. Take time to get a new perspective.

ALL AT SEA

Head to the charthouse and take some readings – what's below, where are we going? Old and new tech in harmony.

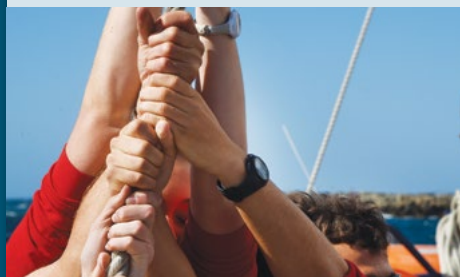

KNOT AFRAID

Lines and knots – keep a sailor safe. Pay attention as you learn the key knots, you may need them later...

GAME ON

Release the pressure valve and have some fun with shipboard games. Set Adrift, Ship Shapes and Hand Mix Up.

REACH NEW HEIGHTS

Take a deep breath, harness up and leave the deck for a climb into the rigging. No-one ever regrets taking up this challenge!

Note: activities are weather permitting and subject to change.

Program additions

Alongside Networking Event

An hour to unwind and relax on deck after your day at sea. Includes substantial canapes, soft drinks, tea and coffee \$25 per delegate.

Leeuwin Merchandise Pack

Includes hooded jumper or rugby shirt, cap and sailing gloves \$90 per delegate. Two weeks lead time minimum.
